

Envisioning a robust Post-war Economy

Friday, 24 June 2011

On the morning after the election result was announced I woke up to a stale old day. The winning margin of the election was too big to believe. The hope for believable change has turned into an unbelievable status quo. If it is the destiny of Sri Lanka, I humbly accept that. Now that the Sri Lankan people have chosen the President of the country for the next six years or eight years (depending on the interpretation of the Constitution by the Supreme Court), it is time to strategise a robust post-war economy.
